Northwest Behavioral Health Services (NBH) 12th Annual Ken Amaro Bowtie Golf Classic. The purpose of the tournament is to raise awareness and funds to support the ongoing services for our underserved mentally challenged community in Jacksonville.

Established in 1992, NBH a 501(c)(3) non-profit organization has provided services to over 10,000 adults and children with severe mental disorders. Our mission is to enhance the quality of life for children, adults and their families who are experiencing mental health problems, social maladjustments, and other at-risk behaviors. The organization is a state certified mental health agency licensed by the Department of Children and Families and Commission on Accreditation of rehabilitation facilities.

We are requesting that your organization be represented as sponsor of this year's golf tournament. There are several levels of sponsorship for you to choose from. See sponsorship levels and benefits page attached. In addition, we need foursomes, hole sponsors, ditty bags items and prizes.

"Our aim through this tournament is to bring the plight of those less fortunate to the attention of our community and seek their involvement and support for our various rehabilitation programs."

**For further information, please contact Michael Wells
